Information

1. Between 1400 and 1500 on 16 August 1955, the occupation of aircraft at Wiener Neustadt airfield remained unchanged, but no alert flight was observed. The AA gun emplacement was not equipped with AA guns. A Token set and an Umbrella type antenna were erected instead of the Kniferest and Fishnet sets at the radio station about 2.8 km east-northeast of Theresienfeld station, northeast of the airfield area. The ground radio stations remained unchanged. 25X1

2.            trucks were parked or observed moving near the Nachrichten Kaserne at Wiener Neustadt military post 25X1
